July 16, 2021

Keila González Gómez
Domestic Institution: Technical University of Madrid

Dear Ms. Gómez:

It is my pleasure to host you to conduct a part of your PhD work under my supervision as a professor in the Department of Statistics at Iowa State University from August 16, 2021 through September 16, 2021.

During your stay at Iowa State University, I will help you develop skills in data analysis, modeling, experimental design and statistical inference in a number of applications including your dissertation topic of sight distances. Please note that all my assistance will be in English.

I understand that you will be financially independent and that you will bear your travel expenses and all the expenses relating to your visit in the USA. This exchange is temporary and will result in no salary, or health insurance coverage or other financial benefits.

I look forward to your reply to this collaborative invitation.

Sincerely,

Derrick K. Rollins
University Professor
Department of Chemical and Biological Engineering
Department of Statistics
